NEW YOR! May 15 .- Hornpipe danced (or ran) hims into fame and riches at Gravesend to-y by winning the Brooklyn handicap, theichest prize of the spring running meetis. The result was unexpected and thbookmakers reaped a harvest. The rack to-day was the first real trial of the new w and, as far as could be seen, it is likelto become popular.

The morninghours were anything but

pleasant, for rold wind blew across the track, the air as raw and chilly and the overcast sky me it seem as if rain might fall at any nute. The track was very muddy and the were pools of water all over it. The cuds began to break away at about 10 obck and there was plenty of blue sky al sunlight by noon. The bookmakers he plenty of work to do, but they did not but the odds and the betting was done netly. From 1 o'clock until the start othe handlcap betting was in order and L Rice and Ramapo were about equal effees, although it finally settled down wi the latter as first choice. average of the quotations 1 o'cloc was as follows: Dr. Rice, 21/2 td and 4 to 5; Ramapo, 21/2 to I and even; sy El Santa Anita, 6 to 1 and 7 to 5; SirWalter, 8 to 1 and 5 to 2; Rubicon, 10 to land 3 to 1; Lazzarene, 20 to 1 and 7 to Bassetlaw, 20 to 1 and 8 to 1; Declare, to 1 and 10 to 1; Hornpipe, 20 to 1 ad 8 to 1; Assignee, 40 to 1 and 12 to 1; Coster Tenor, 30 to 1 and 12 to 1; Ed Kearry. 15 to 1 and 4 to 1.

MEY'RE OFF! At 4:30 o'cloc the bugle called the horses to the post # the big event and everybody hurried to take his place to watch the contest, s the horses cantered slowly to the post ech was heartily cheered. But a few minus elapsed before all were at the starting joint. They all got away, but the start ws too straggling and they had to go back. There was a little more maneuvering ad at exactly 4:45 starter Rowe caught thei in good line, the red flag fell and it was ollowed by the well-known roar, "They're it," and the great opening race of the yer had begun. There was a general strugle to the stand for positions and the fst quarter was passed in twentyfive seconds, with Assignee making the pace, a ose in front of Ed Kearney, who was thre parts of a length in front of Ramapo he a length ahead of Sir Walter. and Dr.Rice, with Counter Tenor, Rubicon, Declare Hornpipe, Rey El Santa Anita and Lazzarne following, and Bassettlaw a bad last, empletely out of the race. At the three-friong pole Assignee had a good lead of two lengths and was going well, while Griffir was urging Ramapo to keep him up in th front, a fatal error, as he could only seep a head in front of Ed Kearney, who was in turn a head in front of Sir Waltr, followed by Dr. Rice, whom Taral was folding in his favorite fifth place. Rubicon was in sixth place, but was not doing well while Counter Tenoor was seventh. The came Hornpipe, who had moved up a pg, followed by Rey El Santa Anita, Decare, Lazzarone, on whom that master judg of pace, Isaac Murphy, was watching the others like a cat, while Bassett-

lawwas hopelessly last.

At the half mile pole, which was reached in fity seconds, Griffin had sent his mount within half a length of the flying leader.

Assignee, and was a length in advance of Assgnee, and was a length in advance of Sir Walter, who was a length ahead of Ed Kearney, tired out with the effort. Thei came Dr. Rice, Taral sitting quietly, waiting for the last struggle, and Counter Tenr next. Murphy urged Lazzarone into seventh place, a little ahead of Hornpipe, while Rubicon was next, and beginning to coult Roy El Santa Anita was going well quit Rey El Santa Anita was going well in tenth place, and Declare had joined Bas-settlaw in the struggle for last place, with nothing more left in him. KEARNEY STUMBLED.

On the way to the five-furlong pole there was a quick shifting of positions, and Ranapo tumbled back to sixth place, out of the contest apparently, as he had shot his bolt trying to keep up with the leaders. Sir Walter took first place, by a head from Assignee, with Ed Kearney in third place, Dr. Rice fourth, Taral still holding him well, Counter Tenor fifth, Hornpipe next, Rubicon, Rey El Santa Anita and the others following. Then Ed Kearney stumbled, and was out of the race altogether. Penn putting him up, and cantering home slowly. The three-quarter pole was reached in 1:17

and the great Ramapo had joined Declare, Bassettlaw and Rubicon, all having had enough of it. Sir Walter was still in the Fifth-Five and one-half furlougs. ead and had half a length the best of Lazzarone, whom Murphy had sent through the field like a flash, suddenly becoming a dangerous competitor. The pair were three lengths ahead of Hornpipe, on whom Hamilton ha! moved up, as he saw that he had something besides Dr. Rice and Sir Walter to beat. Counter Tenor had moved into fourth place, but still Taral made no sign on Dr. Rice, who was going well, in fifth place. Rey El Santa Anita was close be-hind him, by Assignee, his bolt shot and his work as pacemaker done, in seventh place. The turn was in sight and the sevenfuriong pole at hand. Doggett was working hard to hold his lead with Sir Walter. Taral was now trying to get Dr. Rice to the front, but it was of no avail, for he lacked the speed and could only keep his

head in front of Rey El Santa Anita, a very dangerous horse.

The mile post, at the head of the stretch, was reached in the slow time of 1:45, and as the horses were straightened out for the final effort, there were only six horses in the race. Sir Walter still had the lead by half a length, but Doggett had to go to whip and spur to keep him there. Lazzarone had a head the better of Hornpipe, as Murphy had stolen upon Hamilton, and was riding like a master of his art, Counter Tenor, with Lamley urging hard, was fourth, while Taral could not get Dr. Rice any higher in

the line, with Rev El Santa Anita gaining on him under Bergen's urging, while the others were hopelessly out of it. Down through the stretch the racers ushed, every jockey working his hardest to win what only one could. Doggett felt Sir Walter faiter under him, and only worked the harder to make the game little torse do his utmost, but it was of no use Murphy got within a neck of him at the last furlong post, while Hornpipe was only a short head behind. The others had not changed places, but they were beaten, nevertheless, and only three were left to do battle for the ten-thousand-dollar prize. Inch by inch Lazzarone crept past Sir Walter, and, as he did so. Hamilton came op with Horopipe and, to Isaac Murchy's surprise, began to pass him. Both jockeys were working as hard as they knew how. but Murphy naw Hamilton had the better horse under him, and had to rest content with second place, by half a length, while he was three lengths in front of the nearly exhausted Sir Walter, he a length in front of Counter Tenor, followed closely by Rey El Santa Anita, Declare, Dr. Rice, Rubicon, Assignce, Bassettlaw and Ramapo, with

THE OTHER RACES. Four of the seven originally entered started in the first race, and when the fing fell Wernberg had a length the best of it. Taral quickly took Domino alongside and held him there to the straight, when he gave the black his head, who won in the hollowest possible style by two lengths from Wernberg. Patrician nipped Factotum on the post for third place, and Tara! had won the first race of the season in

Owlet was second and Hermanita third. | while going at full speed on their bicycles, At the turn into the stretch Owlet took - racturing each other's skills. Both are the lead and held it easily to the end. I sheen sclous and not expected to live.

COLTS BEATEN AGAIN Kennell came out of the bunch and, with Lamley riding like a demon, got second place away from Hermanita. The Expectation stakes was the third race on the programme, and brought out a field of seven starters, with Belmont's filly, OUTBATTED AND OUTFIELDED BY

They Adopt a Constitution and Choose Atlanta as the Next Meeting Place.

WASHINGTON, May 15 .- The convention of the Union of Police Chiefs disposed of its most important routine business to-day. The report of the committees appointed at the last convention to secure cheaper telegraphic toll for the business of police departments reported that a reply to its inquiries had been made by only one telegraph company which distinctly negatived the proposition, saying that such an innovation would make it necessary to grant concessions to all branches of municipal and State governments. Accordingly the committee was discharged, and the attempt to reach an agreement with the telegraph companies was abandoned. The adoption of the constitution reported

by Chief Atkins, of Knoxville, the chairman of the committee on constitution, occupied most of the morning. The proposition to permit chiefs to be represented by proxies precipitated a discussion of the matter of politics in the appointment of police officials and the proposed clause was killed, as was one to make sheriffs, postoffice inspectors and officers of the United States secret service honorary members of the The office of chaplain was created and Chief Oliver, of Athens, Ga., an exminister, was elected to fill it. Invitations for the convention were received from Atlanta, Pittsburg, Dallas, Tex., Fort Worth, Tex., and Colorado Springs, Col. The vote was 28 each for Pittsburg and Atlanta and President Eldridge cast the deciding vote in favor of Atlanta.

FATHER PHELAN DENOUNCED. Threatening Letter from Dr. John H. Seiffert, of Washington.

ST. LOUIS, May 15 .- The Christian Endeavorers will now look to Archbishop Kain, of this city to punish Rev. Father D. S. Phelan for his editorial comment on their annual convention. Mgr. Satolli, the papal ablegate whom the endeavorers of Lowe's fly in the eighth inning. Score of | Asbury Park, N. J., petitioned to reprove Father Phelan, has written to Rev. J. P. Dawson, the sender of the memorial that the matter belongs to Archbishop Kain. Archbishop Kain could not be seen to-day. A reporter called on Father Phelan, who said he had no comments to make either on Mgr. Satolli's action or as to what Arch-bishop Kain may or can do. He has received many letters denouncing him for his utterances. The latest is from Dr. John H. Seiffert, Washington, D. C. He calls Father Phelan's article a "Hell born insult," and declares that he is indignant at the statements made, because his daug!iat the statements made, because his daughter is an Endeavorer. Speaking of his daughter, he says: "She is a sincere and humble Christian and does not go to the Christian Endeavor meetings to see and be with men. Your base, hellish insult is entirely uncalled for, and if I ever get in reach of you I will let you feel my presence quite sensibly. I may be in St. Louis next fall."

GAVE \$10,000 FOR \$3.

Maine Lumber Operator Swindled by the Gold-Brick Scheme.

WATERVILLE. Me., May 15.-Herman Whipple, of Solon, Me., a well-known lumber operator, was approached last week by a man who said his name was Webb, and asked if he wanted to put \$10,000 into a gold claim in Mexico. Webb saying that he had not enough money to develop it. Webb said he owned a mine next to the claim and had brought from it two gold bricks, which he would give Whippie to hold as security until such time as he should feel satisfied with the investment. Whipple took borings from the bricks and the two drove to a jeweler Whipple knew in this place. Webb went into the jeweler's store alone, and in a moment came back and said they were in luck, as the jeweler had told him C. E. Andrews, the State assayer, was at the Elmwood Hotel and would test the bor-ings. The alleged Mr. Andrews took the borings, and next day said the bricks were worth about \$22,000. Whipple borrowed the \$10,000 and gave it to Webb. He has since found the bricks are worth about \$3.

STILL CHAMPION OF OHIO.

Rolla Heikes Again Wins the L. C. Smith Silver Trophy.

DAYTON, O., May 15 .- The most interesting event of the Ohio Trap-shooters' League tournament to-day was the contest for the L. C. Smith silver trophy that carries with it the championship of Ohio. Heikes won it last year with a score of 49 out of a possible 50, and successfully defended it to-day by the same score. The conditions were \$5 for entrance, fifty blue rocks each; and there were twelve entries. F. E. Coppernoll, of Chicago, was made referee, and the judges were William G. Lyman, of Kent, O., and S. E. Stafford, of Cleveland. Following is the score: Heikes, 49; C. A. Young, of Springfield, 48; Redwing, of Cleveland, 47; Shorty Bacon, Easton and Ed Cain, 46 each; Dando, 43; Bike, 42; Raymond, 40; Upson, 39; Wherry, 30; Spross, 42. Heikes was declared the victor amidst great cheering. First money in six regular league events went to Vandyke, Heikes, Easton, Ward, Upson, Ward, Ray-mond, Bacon, Fulfori and Budd.

Royal Areanum Statistics. ST. LOUIS, May 15 .- About one hundred delegates, representing twenty-one grand councils, are in attendance on the eightteenth annual session of the Supreme Council of the Royal Arcanum, which convened here to-day. The session will continue for one week and be executive. President Banner, past grand regent of the Grand Council of Missouri, delivered an address of welcome and appropriate responses were made by the supreme officers. To-day's session was largely devoted to the hearing of the annual reports, which were appropriately referred. The report of were appropriately referred. The report of C. W. Hazard, supreme regent, showed that during 1894 the Royal Arcanum paid to widows and orphans death benefits amounting to \$3,959,599, leaving a balance on hand of \$463,478. Dec. 31, 1894, the order had a membership of 159,507, a net increase for the year of 11,083. During 1894 16,509 new members were initiated and 1,344 deaths re-

Western Gas Association. PITTSBURG, May 15.-The Western Gas Association began its annual session here to-day. The association includes a number of Eastern gas manufacturers and has members in Canada, although it is essentially a Western organization and was organized in St. Louis eighteen years ago. An address of welcome was delivered to the members by Mayor McKenna which was responded to by O. F. Evans, of Chicago. President Baxter delivered his annual address in which he discussed municipal control of gas plants. At the afternoon session the following papers were read: "Incan-descent Gas Lighting," S. M. Highlands: "Metal Gas Holder Tanks," Alton S. Miller: "Advantage of the Metric System for all Calculations," George H. Harper: "Natural Gas as a Pioneer for Artificial Fuel Gas," Donald McDonald.

CANNOT HAVE CANAVAN'S PLACE. Glenalvin Makes It Impossible for Indianapolis to Use Him.

Glenalvin will not play here after all. He arrived from Detroit yesterday morning. according to programme and had a sitting with Manager Watkins. It didn't take long for both of them to find out that the deal could not go through. The ex-Detroit captain refused positively to play third base. He said he was a second baseman and did not propose to risk his very excellent baseball reputation by trying to play third. "Glen" is anxious to play here and hoped that the infield could be shaken up enough to accommodate him at second. Manager Watkins, however, cannot see his way clear to putting Canavan on third and he would not think of replacing that player with Glenalvin. It was his intention, in any event, to play "Glen" at third only until Roat's arm came around all right.

Another stipulation by the ex-Detroiter was that Vanderbeck, who owns the Detroit franchise, should receive no money for his release. He says Vanderbeck has never paid him in full and shall not profit one penny by his release. A third condition of signing with Indianapolis was that he be not reserved at the close of the season as he desires to secure the management of some team next year. These three stipulation, of course, end the deal, the first one alone being sufficient to kill it. Glenalvin may go to Rochester. He has an offer from Manager Watkins feels confident that another spell of hot weather will straighten the kink in Roat's throwing arm. He says he never for a moment thought of releasing Roat in whom he has the utmost confidence.

The bad weather prevented yesterday's game and the Detroits left for home last evening. The Toledos will arrive this morning and make their first appearance on the Indianapolis grounds this afternoon. Fisher and McFarland are to look after the battery work for Motz's men while Petty and Roach will officiate for Toledo. By the bye the Toledo papers declare Roach to be the best catcher in the Western League and far the best who ever wore a Toledo uniform. They are trying hard up there to forget McFarland. To-day's game will be called at 4 o'clock.

"Brewers" Bunched Their Hits. MILWAUKEE, May 15.-Kansas City made twice as many hits as the "Brewers" to-day, but the latter made all theirs in two innings, and won. The visitors' hits were scattered. Score:

TOLEDO, May 15 .- The gang of "kickers" from Grand Rapids, known as the "Gold Bugs," was easy to overcome today. Toledo won by making more hits and playing an errorless game. Score:

ST. PAUL, May 15 .- It was so cold here to-day that no one cared to see a ball game, and the one scheduled for this afternoon was postponed.

WAIL OF A TAIL-ENDER.

A Few Fancy Toledo Figures Shown tp-Groundless Complaint. Teledo News (Monday.)

If the gangs of rowdies from Detroit and Indianapolis who are members of these two baseball teams have no manners or bring-ing up and don't know how to behave them-selves as gentlemen on the baseball field, and especially on Sunday, then Manager Long should at once cancel all Sunday dates with both teams in this city. The In-dianapolis and Detroit teams are not permitted to play Sunday ball on their re-spective home grounds, but they can come here, draw out an audience of six thousand to seven thousand people each Sunday, go home with \$1,250 to \$1,500 as their share of the gate receipts and kick up rows, raise Cain and bring disgrace on the game. The Toledo public is about sick of the two exhi-

bitions of Sunday ball that they have been treated to by Indianapolis a week ago and Detroit yesterday. The Toledo team is not to blame for starting quarrels, but Manager Long has had fair warning now, and if Sunday ball playing is interfered with here he will have nobody to blame for it but self in playing with teams here Sunday that don't know how to act the gentlemen. The gall of the Indianapolis and Detroit teams to come here on Sunday, carry away \$1,500 of Toledo money and carry on the most disgraceful tactics ever witnessed on a ball field is too cheeky for any use, and especially where they dare not play ball in |)1 their own cities on Sunday. This badly-written effusion would scarcely warrant attention were it not that the man-

agement of the Toledo ball club and the newspapers of that city are pursuing their last year's tactics of magnifying the attendance at their games. The actual attendance on Sunday, May 5, when Indianapolis played there was 4,069, and Manager Watkins received just \$452 as his share of the receipts. This, too, it should be remembered was the opening Sunday of the season at Toledo. Last Sunday Detroit played there to 3,100 people, over one thousand of whom came down from Detroit with their club. The Toledo grounds are so small that, with six thousand people there it would be impossible to play a game of baseball. On the Sunday Indianapolis played there, with 4.069 people on the grounds, the players were so hemmed in they could cover comparatively little ground. McCarthy, Gettinger and Hogan were huddled together in middle field and the crowd was close around the first and third basemen, as well as the catcher. There was no police protection at the grounds and the Indianapolis players were as mild-mannered as lambs, feeling that it was not safe to be otherwise. In any event, when it comes to "kicking" To-ledo can hold its own with the best or worst of them. The talk about canceling Sunday dates is laughable, for were it not for the Sunday games the Toledo club could not live. The week-day attendance up there is not large enough to support a club in a State league, much less the Western, To-ledo had better pay more attention to win-
